We specialize in providing service to convenience stores, and we understand that the success of our business is directly related to the satisfaction of our clients. It's our business to make your business profitable!

No investment in inventory. You do not pay for any inventory until it is sold.

Theft and shoplifting is eliminated. Until the card is sold and activated, it is worthless. In addition, the system dates and time stamps every transaction creating a paper trail leading directly to any would-be thieves.

We can set your store up to sell prepaid cell phones and accessories. Watch your store volumes soar after you can provide your customer's with these popular products.

The C-Store prepaid system product line is superior and more complete than others in the market, and it is continually improving.

No contracts are required and you have no hidden costs to have the system installed in your store. We provide and install, at no cost to you, the Verifone, a display rack and sales posters.

Instant refunds are available. If your clerk makes a mistake, an 800 number will be provided to instantly correct the mistake.

We will train your employees to use and sell the system effectively.

A new dual debit card system allows your customers to transfer money to relatives anywhere in the world. MasterCard Gift cards and Debit cards are also available.

ATM MACHINE PLACEMENT

- Does your current ATM provider treat you fairly and honestly?
- Are you paid daily for your surcharge commissions?
- Does your current ATM provider allow you to verify the number of transactions your machine generates?

C-Store Services Group will always treat you right and will always allow you access to the financial information that your machine generates.
Choose from one of our three Placement Plans:

SERVICE Merchant purchases and loads cash in machine. We provide all maintenance required. Merchant receives 100% of surcharge income.

MERCHANT LOAD We provide and maintain a machine for your location, merchant loads the machine with cash and we provide all maintenance required. Merchant is paid a commission based on volume of transactions.

FULL SERVICE We supply and install the ATM machine we and load all cash in the machine. Merchant is paid a commission based on the monthly volume of transactions.

AIR AND WATER MACHINES

If your business qualifies, the C-Store Services Group will supply and install an Air and Water machine at your business location. We will pay you a competitive commission based on the income generated by your location.

CREDIT CARD PROCESSING

The C-Store Services Group provides complete credit card processing services for your business. We offer “cost plus” pricing that makes economic sense for your business.

PAYPHONES

We have been in the payphone business for over 20 years; this is the source of our commitment to customer service that dominates our company culture. We keep our payphones working and the merchant benefits from competitive commissions and increased customer foot traffic as a result of machines that are dependable and consistently operational.
